

REV 022521

Arbolitos is located in Northwest Santa Fe in the master-planned community of Las Estrellas. The new community is situated in the rolling, piñon-studded hills with stunning, expansive mountain views and beautiful sunsets. Thoughtful site and lot planning have ensured custom home designs will maximize the beauty of Arbolitos. Lot and home sales have been highly desirable since the 2019 launch. Seventeen lots have been sold, seven custom homes have been completed—one is move-in ready, and four are currently under construction. With six lots left, now is the ideal time to select your lot and build your dream home.

UNDER CONSTRUCTION

AVAILABLE LOTS & FLOOR PLANS

LOT 1 | 1774 Calle Arbolitos

A beautiful, newly designed three-bedroom, three-bathroom home with a large rear portal boasts views over looking the city and the Sandia Mountains. An open-floor concept includes a great room with fireplace to make the space cozy, and a breakfast bar in the kitchen to make it more functional. Entertain al fresco and enjoy outdoor spaces accessible from the master bedroom too. Home construction has begun and will be ready this summer.

LOT 9 | 1785 Calle Arbolitos

LOT 12 | 1785 Calle Arbolitos

LOT 13 | 1785 Calle Arbolitos

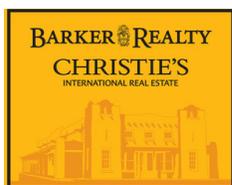

LOT 17 | 1785 Calle Arbolitos

STRIKING HILLSIDE LOTS

Each lot is carefully situated to take advantage of the unique views each lot has to offer—Sangre de Cristo or Jemez Mountain views. Custom-lot floor plans will be available with a broad set of options and upgrades to suit your lifestyle. Spacious open living spaces make it easy to move about the home. Some floor plans come with options to include a private studio or guesthouse, and patios and decks that capture stunning views to the south and panoramic nighttime city lights to the east. Home quality touches include quartz counter tops, hardwood cabinets, walk-in pantry, spacious kitchen island, refrigerated A/C, and energy efficient performance. Community amenities include neighborhood parks and miles of nature trails and access to La Tierra Trail System.
